BOMA International Political Action Committee (PAC)

Give a few Bucks and save a Billion!

We are sending this letter to request a *small* contribution that has a *big* impact...a donation for the BOMA International PAC (Political Action Committee). BOMAPAC is BOMA International's political action committee. **BOMA Miami-Dade will be having 50/50 raffles at all future luncheons and at the golf tournament to help support this cause.**

These PAC dollars enable BOMA International's advocacy team to support the political candidates for federal office who know, understand and support real estate's issues and when they are in office helps our advocacy teams be heard.

Why are we asking for this contribution? With a **new Congress**, a **new Administration** and a **credit crisis** gripping the industry PAC support has never been **more critical**. Read on to **see the successes** last year and share this with your owners:

- Savings to our industry: \$3.8 billion ...Additional Annual Construction Costs Avoided from World Trade Center Proposals
- Savings to our industry: \$600 million...Brownfield's Remediation Tax Incentive
- Savings to our industry: \$887 million...Energy Efficient Commercial Buildings tax deductions
- Savings to our industry: \$500 million...Leasehold Depreciation
- Savings to our industry: \$990 million...Additional Annual Construction Costs Avoided from Energy Code Changes
- Savings to our industry: \$630 million...Lost Lease Income Avoided

Whether you are politically active or not, the decisions made in Washington do affect our industry. Small contributions can add up. Remember, as per the PAC guidelines this contribution needs to come from an individual and not your company. Cash or personal checks will be accepted, but a company check cannot be used as a contribution. Look for these raffles throughout the year and let's help make a difference!

Thank you in advance for supporting BOMA and the commercial real estate industry.

Sincerely,

Mercy Perez
BOMA Miami-Dade President

Phil Porta
BOMA Miami-Dade President-Elect
Government Affairs Chairperson
